

Peel Clothworkers' Primary School

'Enjoyable learning for life'

Home Learning: W/B - 30.03.20

Year 3

Hello! Welcome to the second week of home learning. These tasks are optional. However, we hope you had fun engaging with them last week.

Writing

Write a story about what might happen to Charlie after he leaves the chocolate factory. Use your imagination.

Focus on;

- Using a range of punctuation .
Aa , ! ? ...
- Using a range of descriptive language (adjectives, similes)
- Use paragraphs
- Joined handwriting

Reading

Read lots! Can you read other books by Roald Dahl? Focus on the characters in the stories you have read. Can you describe them?

Science

Materials and their properties

Can you study the ingredients that are included in a chocolate bar or packet of sweets. Create a list of ingredients that are in your invented chocolate bar or sweets. You could even have a go at making your invented chocolate bar!

PE

Create a mini circuit with 10 exercises such as star jumps, shuttle runs and other exercises. Do each exercise for 45 seconds and complete the circuit every day.

Maths

Money

Can you create a shop out of toys/ objects in your house? Give each item a price and use pretend money. Can you add two prices together or pay with a note or coin and work out the change?

Use strategies we have practised - the column method or counting up from the price to the amount paid to work out the change.

+	4	1
	9	3

Cross Curricular Challenge

Willy Wonka created lots of weird and wacky inventions!

This week can you create a poster to advertise the new sweet or chocolate that you have invented?

Think about the layout of the poster, the information you need to include: a picture of your product and the wrapper, a catchy phrase to make it sound exciting, colours which will make it stand out and look attractive.
