Isle of Man Department of  
Education, Sport and Culture

Dear Parents/Guardians of Year 6 Children,

Welcome to the Year 6 Home Learning resources.

We understand that there is a lot of uncertainty at this worrying time. Whilst we recognise the importance of continued education for your children, we also understand the possible pressure and anxiety you may be facing, as parents and carers, suddenly expected to carry out a new form of home learning. Please do not panic! We are here to support and guide as much as we possibly can. Within this pack, you will find a range of tasks covering different subject areas and a new pack will be made available each week.

Firstly, we would like to emphasise that whilst online resources are without a doubt, invaluable at this time, we should not forget e-safety. We recommend you get the Safer Schools app (available here: <https://oursaferschools.co.uk>) as a first port of call.

Where possible, school will provide a comprehensive list of possible online resources that would be of benefit, which will be made available on the school website.

Whilst the tasks included in this pack provide a basis for continued education at home, covering a wide range of subject areas, please note that there is **no obligation** to complete them. If you would prefer to take a different approach to address your child's/children's educational needs then please feel free to do so. We encourage the children to try a range of different learning styles and strategies so please feel free to explore your own learning opportunities. We, as staff, have worked hard to provide open ended tasks that allow your child(ren) to work in a creative way, often selecting how to present their work. It would be great if a portfolio of work could be kept to share when children are able to return to school but this is **not compulsory**.

If you have any further queries or require any support then please feel free to contact the school via email at [peelclothworkersenquiries@sch.im](mailto:peelclothworkersenquiries@sch.im) or by phone on 842518.

Many thanks for your continued support.

Yours sincerely,

Mrs Egelnick, Miss Jacobs, Mr Astill and Mr Crebbin
