

Marvellous Mummies

Welcome back to school for the new school year!

We are starting off this year with our topic of Marvellous Mummies where we be learning all about Ancient Egypt. We will be looking at answering our investigation question of "Do what we believe affect the way we live?"

Children have reading books and are welcome to swap these when they are ready. Please ensure you child is reading at home every night. This makes such a massive difference.

Swimming will to take place on a Monday morning with PE on a Wednesday. May we remind parents that swimming is a compulsory lesson, and part of the school curriculum. Please ensure a full PE kit is in school every week.

If you have any questions please do not hesitate to contact us.
Many thanks,

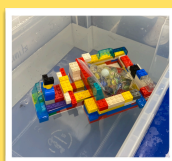

Mrs Egelnick and Miss Lace

IMPORTANT DATES

- Parents' Evening Week:
The week of 13 October
- 16 October
- Individual Photos:
14/15/16 October

Having lots of fun on our STEM Friday afternoons! In the first week we made Lego boats!

MATHS

Starting off with understanding place value, we'll look at adding and subtracting, ordering and comparing numbers, and reading and writing numbers correctly.

LITERACY

Our writing will focus on starting a sentence with a capital letter and ending with a full stop, and using key descriptive language such as adjectives and adverbs of place and time.

SCIENCE

Experimentation, making predictions, and modifying variable to test hypotheses will be our focus, using all sorts of exciting scientific activities. We will also try to mummify a tomato!

ART / D&T

We will create lots of Egyptian-inspired Art, using different media. We'll also get messy and use mod-roc and/or papier mache to create our own canopic jars.

TOPIC

We will be looking at the highlights of Ancient Egypt, through the lens of "Does what we believe affect how we live?" We'll look at pyramids, gods, pharaohs, the Sphinx, and, of course, Mummies.

PE

Swimming and hockey are the focus sports for this half term.
