

Secrets of The Sea

Welcome back to Year 2!

We hope you all had a restful and enjoyable Christmas and New Year.

PE Days

Year 2 PE days are as follows:

2W & 2B - Monday afternoon

2BM - Tuesday morning.
A reminder that PE kits should remain in school for the full half term.

Spare Shoes

For your child to be able to access the school field during the Autumn/Winter, they must have a pair of spare shoes that are kept in school. Please ensure that these are separate to their PE shoes and appropriate for the field (eg, waterproof) as it can be damp and muddy in places.

Water Bottles and Snack

Please ensure that your child has a named water bottle in school. This can be refilled with water during the school day.

We encourage all children to bring a small, healthy and nutritious snack to enjoy at snack time.

Toys

Please could we ask that toys/Pokemon cards from home are not to be brought into school.

Thank you.

Reading

Your child will be bringing home an individual and a guided reading book each week.

Thank you for your support in reading at home with them and don't hesitate to get in touch with any questions or queries.

Clothes

As the days are continuing to be cold and wet, can you please make sure that your child brings in a warm, waterproof coat each day. Please can you also ensure that ALL items of clothing are labelled clearly with your child's name.

Many thanks,
Year 2 Team

Dates for Your Diary

Trip to Peel Cathedral to see Mars - Tuesday 10th February.

Break up for Half-term - Friday 13th February.

Return to school - Monday 23rd February

Parent evening week - w/b Monday 2nd March

TOPIC

We will be learning all about the history of fishing in Peel. We will also be comparing it to fishing in other parts of the world.

We would love to hear from anyone with expertise in fishing who would be willing to share their knowledge with our pupils. If you or someone you know is interested, please let us know!

ENGLISH

- Composing simple and compound sentences.
- Using commas
- Identify word classes.

SCIENCE

- Looking at how animals and plants are suitable for their habitats.

MATHS

- Properties of 2D and 3D shapes.
- Describing turns and positions.

R.E

- Knowing how the New Year is Celebrated around the world.

ART

- Investigating texture using watercolour paint and collage in seascapes.

PSHE

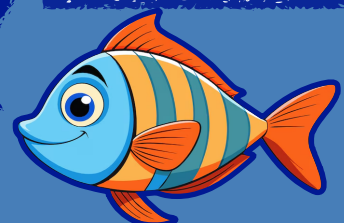

- Recognising how different people help the community.

PE

- Developing our ball skills through games.

Essential Question

How do people and Nature depend on each other?

Thinking Back to

Christmas Tractor Visit

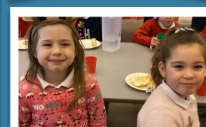

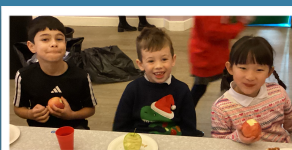

Developing our Performing skills in English
