

Tales of travelling through Time

Year 1

Welcome back to school, Year 1. We hope you had a lovely Easter break and are ready for the next steps in our learning.

This half term our topic is all about answering our Essential Question - What might be different if we travelled through time?

We are going to use this question to investigate, compare and contrast the similarities and differences between different time periods. We will think about the past, the present and the future.

Reading

Please continue to read with your child at home as often as possible. Little and often works very well at this age and all the extra Reading really helps with their progress.

Please provide one or two healthy snacks for your child, along with a water bottle, and a hat/suncream as the weather improves. Spare shoes are still required for the field at the moment.

We aim to do more P.E. sessions outside this term so trainers are preferable for these sessions.

We are always happy to welcome visitors into school. If you feel that you have an area of expertise that you think you could share with the children, please let us know

Many thanks for your continued support Miss Wheeler, Mrs Whitmore and Mr Nation.

Dates for your Diary:

Monday 4th May - Bank Holiday
Wednesday, Thursday & Friday 6-8th May - Class Photos

Thursday 21st May - Break up for TT Week
Monday 8th June - Return to school
Wednesday 1st July - Sports day

English

Journeys

We will be using this wordless book as inspiration to imagine travelling through time and creating our own stories.
Fact books about different times.

Topic

What might be different if we traileed through time?

We will explore different time periods that the children have suggested, including dinosaurs, the Egyptians, the future and aliens and when they were born up t the present day.

Science

We will be learning about our senses. We will explore each sense and

Maths
