

## Becoming who you want to be...

### Essential Question: Is it important to take risks when we want to achieve something meaningful?

Would you believe it, it is already Summer 2! Time has really flown by and we are now in our last chapters of Year 4. As we step into this final half term, it is a wonderful opportunity to reflect on how far the children have come and to celebrate all they have achieved. This last stretch of the year is about enjoying those classroom moments together, making lasting memories, and embracing the excitement of the upcoming summer holidays. At the same time, we will continue to gently prepare children for the next stage of their learning journey, building their confidence and independence as they get ready for the challenges and opportunities of Year 5. A big thank you to all the parents and carers for your cooperation this year! We have truly appreciated it.

#### Maths

Measurement - money and time  
Geometry - shapes

#### Literacy

Our topic book for this half term is 'Varjak Paw' by SF Said. In this topic, we will be exploring the essential question "Is it important to take risks when we want to achieve something meaningful?".

#### ICT

Data handling - conducting surveys and collecting data. Using different data collection tools and graphs to display collected data.

#### PE

Athletics (Sports Day preparations).

#### Art

Use artistic vocabulary when describing artwork.

#### History

Identify significant dates for a Manx event and show changes that have happened to a Manx event over time.

#### D&T

Measuring ingredients accurately and understanding safety precautions when working with food.

#### PSHE

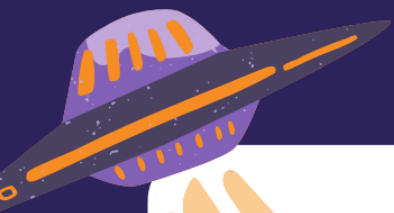

Economic Wellbeing

#### Dates for your diaries:

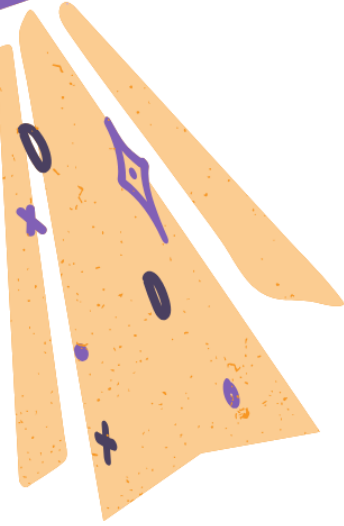

Thursday 18th June - Move up morning  
Wednesday 1st July - Sports Day  
Thursday 2nd July - Reserve Sports Day  
Monday 6th July - Tynwald Day (off school)  
Thursday 23rd July - Last Day of School!

Kind regards,  
Year 4 Team 😊
